Idaho Honey Industry Association

2026 Annual Meeting & Conference

December 10-11, 2026

Hilton Garden Inn Downtown, Boise, Idaho

October 2026

TO: Potential Vendors
FR: Travis Jones, Idaho Honey Industry Association
RE: IHIA 2026 Annual Conference Vendor Invitation

The **2026 IHIA Annual Conference is scheduled for December 10-11** at the Hilton Garden Inn located in downtown Boise, Idaho. Enclosed is a vendor registration form. The IHIA Board of Directors is working on another informative slate of speakers on a variety of subjects important to our industry. An agenda for the conference will be mailed soon as presenters are confirmed.

We invite you to join us once again as a vendor at the 2026 conference. **Set-up can take place any time after 3:00pm on Wednesday, December 9.** The conference will commence on Thursday morning and go into Thursday evening when the annual Banquet and Auction will take place. Funds generated at the auction will be used for research and association operations. We invite you as a vendor to offer items that could be sold in the auction and remember our theme, *"bid often and bid high"* for the good of the IHIA.

Vendor spaces will be co-located in the same room as the conference. This allows attendees to visit you throughout the event. We will provide you with a table and two chairs. The table can be skirted and topped, unless you have your own drape that includes a company logo.

If you have any questions, please send an email to idahohoneyassoc@gmail.com.

Best regards,

Travis Jones
